Company Overview

Connected Baltics is the exclusive Sigfox IoT network operator in Estonia. Headquartered in the Estonian capital of Tallinn, Connected Baltics was founded in December 2016. Connected Baltics is the local branch of Connected Finland in Estonia.

The company commercially launched its Sigfox LPWAN network in May 2017, becoming the first national operator of an IoT network in the country. Like most European Sigfox networks, the network operates on ISM 868 MHz.
