## Research Dossier: YangZhou JingCheng

### Headquarters

### Company Name

Yangzhou Jingcheng Electronics Co., Ltd

### Web Address

<http://www.yzjingcheng.com/>

### Manufacturing Categories

[Antennas](#)  
[RF Adapters](#)  
[RF Connectors](#)  
[System Components](#)

### Certifications

[ISO 9001](#)  
[ISO 14001](#)

Established in 1999, Yangzhou Jingcheng is a manufacturer of high quality RF components including connectors, cable assemblies, and passive components. On the beautiful bank of the ancient Yangzhou river lies Yangzhou Jingcheng Electronics, situated in the economic development zone in the south of Yangzhou city. The factory covers 4000 m<sup>2</sup> and employs over 150 staff; 15% of whom are technicians, and 8% are engineering professionals. Well known for its high technology, super producing arts, all sides examinations measures, the company maintains a high reputation in the electronic line both domestically and internationally, securing awards such as Jiangsu Province high and new technology award, and Yangzhou city top brand awards.

The company supplies a substantial quantity of components for state projects, and has cooperated with well known brands in the United States, Japan, Vietnam, and Hong Kong. There are over 30 series of RF connectors and cables under the JingCheng brand, and more than 2000 individual components. Yangzhou Jingcheng holds a Network Access License, permitting development of

components required for China national defence communication net.

### **Main products**

- L6, L8, L9, L10, L12, L16, SL16, Q9, F, FLM radio frequency connectors
- BNC, TNC, SMA, SMB, SMC, N, MMCX, SSMA, SMB, SSMC etc., manufactured in accordance to IEC169, DIN, and MIL standards.
- Indoor and outdoor GPS and cellular antennas
- Passive components such as, impedance switch, attenuator, fixed load.
- Kinds of radio frequency cable, communication cable, installing cable, P.V.C insulating line, and Teflon cables.
