

Research Dossier: Dosin Electronics

Headquarters

China

Company Name

Dongguan Dosin Hardware Electronics Co., Ltd

Web Address

<http://www.dosinconn.com>

Manufacturing Categories

RF Adapters

RF Connectors

Certifications

ISO 9001

Dongguan Dosin Hardware Electronics Co., Ltd. was established in 2005, and specializes in design, development and manufacturing in RF Coaxial Connectors (BNC, MINI BNC, F Type, SMA, SMB, SMC, N Type, TNC, RP-TNC, SMP, Mini-SMP, MCX, MMCX, 7/16DIN, L9, CC4), RF cable assemblies, RF adapters, antenna series and other custom made connectors. We offer an extensive range of interconnect solutions for applications in telecom, security surveillance, automotive, healthcare, military and aerospace industries.

Our company covers more than 3000 square meters, with well-equipped workshop, automatic production lines, and hundreds of employees. Since our establishment, our products and services have received a good reputation home and abroad. So far, we have built business relations in many countries, 70% products being sold to all over the world.

Our company adheres the business philology of "hardworking, pragmatic, innovation, excellence" and values "trust, quality, service, Thanksgiving" to make constant effort to perfect our products. The company is ISO9001 certificated and the products are RoHS, REACH compliant.
